**LD
Seating**

Design by Orlandini Design

Idseating.com

Melody Design & Office sind sehr bequeme Alltagsstühle, aber auch Design-Juwelen. Sobald Sie Ihre Ellbogen auf die Armlehnen legen und in den Stuhl sinken, verstehen Sie die Absichten des Designers.

Melody Design & Office are a highly comfortable daily chairs that are also a design gems. As soon as you put your elbows on the armrests and sink into the chair, you'll understand the designer's intentions.
